

### GRIP-IT POWER BRUSH

(\$25) is designed to clean wheels without causing any damage or scratching. The Grip-It Power Brush is made with over 20,000 durable bristles and features a unique power-cleaning tip specially designed to clean around lug nuts and other hard to reach areas. The Power Brush works with any cordless drill or inline screwdriver that operates between 150-450 rpm. Laitner Brush Company, (800) 423-6805, www.laitner.com.

**Catherine Armagost, Anaheim, CA:**

"This is a great time saving tool and it did a wonderful job cleaning thoroughly around the lug nuts."

**James Newman, Dayton, OH:**

"This is a great product that was easy to use and removed brake dust and dirt with no problems."

### VELOCITY WAXER

(\$79) is a cordless, lightweight 10-inch orbital polisher that features a built-in 5-ounce liquid wax reservoir and a push button pump that applies wax directly on your work surface. The 10-inch buffer pad spins at 2,800 rpm and leaves a high-gloss shine and the uniquely-designed foam buffer pad prevents heat build-up, protecting your work surface. The Velocity Waxer uses an 18-volt battery, which provides an hour of run time on one charge. Home Right, (800) 523-6637, www.homeright.com.

**Aaron Timm, Saint Helens, OR:**

"The buffer was well balanced, easy to operate, and the battery lasts a long time."

**Dwight Gentry, Concord, CA:**

"The Velocity Waxer quickly eliminated oxidation from one of my older vehicles and the wax trigger allowed for even application."

### CASITE'S COMPLETE

#### CAR CARE KIT

(\$70) features QuickWorks products such as Dash Shine, Glass Cleaner, Fresh Fabric, Fabric Clean, Leather Cleaner, and Leather Luster. Casite partnered with Crypton to make some of the finest products available to clean and restore all aesthetic parts of your vehicle. This kit comes with a custom made lightweight carrier making transportation of the entire product line easy to move to and from your vehicle. Casite Company, (888) Casite-1, www.casite.com.

**Darrick Harer, Gettysburg, SD:**

"I highly recommend these products because they are easy to use, have a pleasant odor, and do not leave a greasy film like others I've used."

**James Wilson, Mesquite, TX:**

"The complete car care kit from Casite has proven to be a superior set of car care products. The Dash Shine lasts a long time and the Glass Cleaner truly leaves a wonderful streak-free appearance."

### AEROSOL STRAW HOLDER

(\$1) is a stretchy plastic ring that you can use to attach a straw dispenser to an aerosol can. Made of elastic polymer, the Hold-It straw ring fits most aerosol cans and eliminates the risk of losing the straw in an event that it is blown out from the spray tip. The Hold-It ring also saves users from the frustration of having to track down the appropriate straw when necessary. Hold-It Inc., (281) 440-1655, www.hold-it.net.

**Mike Davis, Iuka, MS:**

"I really like that the Hold-It rubber straw ring stretches to fit basically any size aerosol can and that with its help, I'll never again have to search for the straw after it's blown from the can!"

<b>RATING</b>	Quality .....	8
	Design .....	9
	Performance .....	9
	Durability .....	8

**Gary Stayton, Moravia, NY:**

"The Hold-It straw ring is a great idea and for the price it's a must have for each of your straw-equipped aerosol cans."
